Vice President's Message:

Have you renewed your membership to our club for the 2014-2015 year? We appreciate the support you have given us in the past and look forward to you rejoining this year. Attached is the membership form to renew for your convenience. If you have already joined our club – THANK YOU!

This past month the club sent the Piston Bully groomer out for major repairs, and in-house repairs are being made to the 2 Tucker groomers and drags. Last winter was much harder on the equipment because of the extra hours they run to maintain the trails, so the club is incurring thousands of dollars in repair bills at this time. The Piston Bully will return to the barn this week to have the track belting replaced and cleats rewelded. We received some groomer donations at the Chicken BBQs held this Fall which helps in the repair and preparation for this season's grooming. We are in a time crunch - about 50 days until the snowmobile season starts. If you can make a groomer fund donation, please see the attached membership to do so or mail a donation to the club at any time. THANK YOU!

Other club members are busy upgrading signage and brushing the 95 miles of trails. Another 400 8-foot posts have been painted orange to mark the trails and add more signage. THINK SNOW for another great year of well-groomed trails for your SAFE and SMOOTH riding pleasure.
